GOVERNMENT OF BOMBAY.

Public Works Department.

Resolution No.8974/36.

Bombay Castle, 19th December, 1947.

RESOLUTION OF GOVERNMENT.

With the closing of the office of the Chief Engineer, Public Works Department (Post-War Reconstruction), it has become necessary to reorganise the existing Circles and to create new ones with a view to accelerating the progress of preparation and execution of projects. Government is accordingly pleased to create three new Circles, one at Ahmedabad, the second at Sholapur and the third at Belgaum, the last being for a period of three years in the first instance. The details of the reorganisation of the existing Circles, viz., Northern Circle, Central Circle, Deccan Irrigation Circle, Southern Circle and Project Circle, and the proposed new ones are as under:-

Name of Circle.	Headquarters.
(1) <u>Northern Circle-</u>	<u>Ahmedabad.</u>
Ahmedabad Division	Ahmedabad.
Irrigation Projects Division (North)	Ahmedabad.
Kaira and Panch Mahals Division.	Kaira.
Surat and Broach Division.	Surat.

The jurisdiction of the Irrigation Projects Division (North) will, in future, extend over the whole of the newly created Northern Circle.

Name of Circle.	Headquarters.
(2) <u>Bombay Circle -</u>	<u>Bombay</u>
Presidency Division	Bombay.
North Thana Division	Baroda.
South Thana Division	Thana.
Designs Division	Poona.
Building Projects Division No.I.	Poona.

Name of Circle.	Headquarters.
(3) <u>Central Circle-</u>	<u>Poona.</u>
Poona West Division	Poona.
Poona East Division.	Poona.
Nasik Division	Nasik.
East Khandesh Division	Jalgaon.
West Khandesh Division	Dhulia.

Name of Circle.	Headquarters.
(4) <u>Deccan Irrigation Circle-</u>	<u>Poona.</u>
Nira Canals Division.	Poona.
Poona Irrigation and Research Division.	Poona.
Ahmednagar Division	Ahmednagar.
Nasik Irrigation Division	Nasik.
Gangapur Storage Division	Nasik.

Name of Circle.	Headquarters.
(5) <u>Eastern Circle-</u>	<u>Sholapur</u>
Sholapur Division	Sholapur.
Satara Division	Satara.
Bijapur Division	Bijapur.
Water Resources Investigation Division	Poona.
Irrigation Projects Division (Central)	Poona.

The Water Resources Investigation Division, Poona, is the continuation of the charge held by the Irrigation Officer on Special Duty appointed in Government resolution No.8181/36, dated the 4th June, 1947, who will now be called "Executive Engineer, Water Resources Investigation Division."

Name of Circle.	Headquarters.
(6) <u>Southern Circle-</u>	<u>Belgaum</u>
Belgaum Division	Belgaum.
Dharwar Division	Dharwar.
Ratnagiri Division	Ratnagiri.
Kanara Division	Karwar.

Name of Circle.	Headquarters.
(7) <u>Special Investigation Circle-</u>	<u>Belgaum</u>
Irrigation ~~Investigation~~ Projects Division (South)	Belgaum.

The jurisdiction of this Circle will primarily extend over the Karnatak and the Superintending Engineer should deal, among others, with the investigation of the Daddi, Asoga, Krishna and Bhima River Irrigation and Water Supply Projects. Additional Divisions will be opened, if and when required, for carrying out such of the above projects as may be finally taken up.

2. Government is pleased to sanction the creation of 12 additional special Project Sub-divisions for a period of 3 years in the first instance, one each in the following Divisions, in order to expedite the preparation of plans and estimates of Projects in those Divisions:-

(i) Ahmedabad	(vii) Ahmednagar.
(ii) Kaira and Panch Mahals.	(viii) Sholapur.
(iii) North Thana.	(ix) Satara.
(iv) Nasik.	(x) Dharwar.
(v) West Khandesh.	(xi) Belgaum.
(vi) East Khandesh.	(xii) Kanara.

3. As all the Divisions under the existing Project Circle have been allotted to the various Circles mentioned above, the existing Project Circle will cease to exist on the formation of the above Circles.

4. The establishment, gazetted and non gazetted (technical and ministerial) required for each of the offices of the new Circles to be opened, viz., Northern Circle, Ahmedabad, and Special Investigation Circle, Belgaum, is sanctioned as shown in the accompanying statement. The establishment of the office of the Superintending Engineer of the existing project Circle should be transferred to the office of the new Eastern Circle, Sholapur. ~~XXXXXXXXXXXX~~

The clerical and other staff of the Special Project Sub-divisions shall be specified in the accompanying statement.

5. The various Superintending Engineers are requested to see that all office records pertaining to Divisions which are transferred outside their jurisdiction, are separated ~~partly~~ and transferred to the offices concerned. The clerical staff working in the transferred Divisions should also be transferred to the Circles to which the Divisions are transferred.

6. On the closure of the office of the late Chief Engineer, Public Works Department, Poona, the project work should be dealt with by the respective superintending Engineers. The Chief Engineers will, however, deal with the subject "Village Approach Roads" and "Village Water Supply Schemes" and for that purpose, the posts of the two executive Engineers attached to the office of the late Chief Engineer, are transferred to the Public Works Department, Secretariat, Bombay, with the following staff under each Executive Engineer to help the Chief Engineers in the disposal of these subjects:-

- 1 Assistant or Deputy Engineer.
- 1 Superintendent
- 1 Senior Assistant
- 1 Junior Clerk
- 1 Searcher.

7. The necessary orders regarding expenditure involved will be issued hereafter.

 the Governor of Bombay.

Sir,

I am directed to address the Government of India in connection with the amount of allowance to be sanctioned to the new Governor of Bombay, His Excellency Raja Maharaj Singh, for the purchase of Motor cars. In this connection I am to state that the late Secretary of State had, under his telegram No.5230, dated the 21st March 1943, sanctioned a grant of £2025, i.e., approximately Rs.27,000/-, for this purpose to the previous Governor; but a fresh sanction of the Governor General now appears to be necessary. This ^{Government has already recommended that a grant of Rs. 35,500/} should be sanctioned to the Governor of this Province for the purchase of motor cars and the orders of the Governor General are awaited. (vide D.O. letter from Mr.Bagshawe, Private secretary to His Excellency the Governor of Bombay No.P.S.G. 5930, dated the 24th December 1947, to Mr. R.N.Ramerjee, Secretary to the Government of India, Ministry of Home affairs) In the meantime the Military Secretary to His Excellency the Governor has approached this Government for authority to purchase two new motor cars estimated to cost about Rs.24,000. As new cars are urgently needed for the use of His Excellency, this Government is authorising the expenditure in anticipation of the Governor-General's sanction. It is requested that this action may be approved and that the amount of grant sanctioned for

for the purchase of motor cars for the new
Governor may be communicated to this
Government at an early date.

Subject:- Administration of relief camps.

Reference this Department express letter No.W.653-XXX/1154. The Government of India have agreed to take over the administration of all the relief camps in this Province from the 16th February 1948.

2. The Government of India will make appointments of Commandants of these camps and the staff under them forthwith; but till the Commandants have picked up their work and arrangements for supplies of food, etc. have been completed by the Government of India, the existing staff at each of the camps should continue. Members of the present staff should assist the Commandants in carrying out the work which they themselves have been doing so long.

3. The equipment provided at each camp should be allowed to remain.

4. You are requested to send immediately a complete statement showing the names and other particulars of the officers and the staff under you working at present at each of the camps.

5. The Government of India will require the assistance of at least one officer of the status of Mamlatdar for each camp if this can be arranged; if not, at least one officer of the status of Mamlatdar for all the camps in each district. This Officer will assist the ~~Commandant~~ Commandant of each camp in securing services of the sanitary staff required at each camp and supplies of such articles as milk, vegetables etc. and act as a liaison officer between the Commandant of the camp and the Collector and/or Refugee officer and other heads of Districts. He will also assist the Commandant in other matters such as securing transport for conveyance of refugees from station to the camp, and vice versa. You are requested to submit immediately your proposals for the appointment of these officers, and the terms of pay, allowances etc. on which they may be appointed.

Resolution No.6862.

Bombay castle, 10th February 1948.

Letter from the Director of Industries, No.Tan.52/4165, dated the 18th December 1947.

Resolution.- The scheme submitted by the Director of Industries for the institution of a scholarship for the post-diploma work in leather technology at the Government Tanning Institute, Bandra, as detailed in the accompanying to this Resolution, is approved for a period of 3 years in the first instance with effect from the next academic year, i.e. 1948-49.

2. The Director of Industries should be requested to point out in due course the source from which the extra charge on this account should be met during the next financial year.

Accompaniment to Government Resolution, Education and Industries Department, No.6862, dated the 10th February, 1948.

Scheme for the institution of a scholarship for the post-diploma work in Leather Technology at the Government Tanning Institute, Bandra

1. The idea behind the proposed institution of such a scholarship is that Tanning and Leather Manufacture are not fully explored industries and there is a good scope for the work of an investigational nature in the technology of this industry. The students doing their usual course of study at the Tanning Institute cover only the various processes in the manufacture of different kinds of leather which ~~require proper solution~~ are in vogue today. There are ~~many~~ problems in the manufacture ~~of different kinds~~ of leather which require proper solution by determining optimum conditions of operation and laying down the desiderata regarding composition, concentration, temperature, period of emersion in the various liquors, etc.

2. The benefits accruing from the award of such a scholarship will be great in view of the fact that the scholar can concentrate on a few definite items of work. The routine nature of work at the institute makes it impossible to do any work of an investigational nature. The staff at the Tanning Institute can guide and assist the scholar in his work. Appendix 1 gives a list of probable subjects on which investigation work can be done but the choice of the subject will depend on the scholar.

3. The value of scholarship may be of Rs.60 per annum. The scholarship will be tenable for one year from the date of scholarship award for investigation work. Appendix 2 gives the conditions to be laid down for award of the scholarship.

4. Applications for scholarship will be invited by the Superintendent Tanning Institute, Bandra, by advertisement in leading local papers in the prescribed form as per appendix 3. Selection of the scholar may be done by the Committee consisting of (i) Deputy Director of Industries, (ii) Industrial Chemist, Department of Industries, (iii) Superintendent, Tanning Institute and (iv) Representative of the industry. The decision of Director of Industries to the award of scholarship will be final.

5. The recurring expenditure on account of award of such a scholarship will be as under per annum:-

				Rs.	s.	d.	
Scholarship	...	...	...	720	0	0	(Rs.60 x 12).
Contingencies	...	...	...	300	0	0	
				1,020	0	0	or say about Rs.1,000.

APPENDIX No. 1.

The following are some of the problems that can be taken up and investigated by the Research Scholar:-

1. Tanning and utilization of shark skins. About five hundred shark skins will be available per annum.
2. Use of Dhawa leaves as a substitute for sumach:- Dhawa, Anogeissus, Latifolia, - Axlewood tree called Dhawa - large tree in Thana, such as Labala and Khandesh. The leaves of this tree contain 30 per cent. of a pyrogallol tanning very much like that of sumach, and use of this should be investigated.
3. Bleaching of hides and skins tanned with Mangrove bark.
4. Manufacture of bolting cement.
5. Effect of hardness in well water on leather of various tannages with a view to determine the best tannage for leather for well buckets.
6. Optimum deliming of limed hides for the manufacturing of pickers.
7. Production of chrome leather by using minimum chrome compound.

APPENDIX No.2.

Notice.

Scholarship in leather Technology.

Applications are invited for one Government Scholarship for work in leather Technology.

2. Only bona-fide residents of the Bombay Province are eligible.
3. The scholarships will be tenable at the Government Tanning Institute, Bandra, Bombay 20, for one year in the first instance. If the scholarship is resigned within the year, the scholar will be liable to refund all payments already made to him during that year.
4. Applications are specially invited from old students of the Government Tanning Institute, capable of doing useful technical investigations.
5. Preference will be given to candidates who have had industrial experience or who have prospects of industrial employment on the termination of their scholarships. Candidates without industrial experience should not be more than 23 years of age; 34 in the case of intermediate and backward classes; candidates with approved industrial experience should not be more than 26 years of age.

6. The Scholarship will be of the value of Rs.60 per mensem.

7. Candidates should send in with their application a statement of their college career and recommendations from two persons under whom they have studied. Only true copies of certificates should be sent.

8. Selected candidates will be required to come to Bombay for personal interview at their own expense.

9. Applications must be made in the prescribed form which may be obtained from the office of the superintendent, Government Tanning Institute, and must reach the Superintendent by the prescribed date.

Circular Memorandum No.8000
Bombay Castle, 8th May, 1948.

Circular Memorandum.

By Government Resolution, General Department No.2399/33 dated the 14th March 1942 Government has set up a Central stores Purchase Organisation as a single agency for making purchases of all requirements of Government offices in the Province of Bombay. According to Government Resolution, General Department No.2399/33 dated the 3rd April, 1944, as further amended from time to time, the Departments and officers concerned have been allowed to purchase certain articles without reference to the Central Stores Purchasing officer. It is the practice at present that before sanctioning purchase of articles required by various officers under their control, the Administrative Departments concerned make a reference in the matter to this Department which controls the Central Stores Purchasing Officer. In view of the experience gained in the working of the Central Stores purchasing Officer so far, it is found that such references to this Department in all cases of purchase are not necessary in cases the purchases are proposed to be made through the Central Stores Purchase Officer or where such purchases can be made without reference to the Central Stores Purchasing Officer in accordance with the orders contained in Government Resolution, General Department, No.2399/33 dated the 3rd April, 1944, as amended from time to time, it would be enough if the Departments concerned endorse copies of such orders to the Central Stores Purchasing Officer., and this Department for information. The Secretariat Departments should however make references to this Department before issue of orders in all other cases of direct and/or local purchases and in those cases where the purchases are proposed to be made otherwise than in accordance with the general orders issued from time to time in this respect.

Letter from the Government of Punjab, No. 6794-L-46/30157, dated the 21st November 1946.

RESOLUTION:- The Government of Bombay is pleased to enter into reciprocal arrangements with the Provincial Governments of Bihar and Assam for the free medical treatment of Government servants at the Hospitals of the respective Governments subject to the following conditions, namely:-

(1) that free medical treatment shall be limited to cases where a servant of one Government happens to ^{all} be stationed in, or travelling on duty through, the territory of the other Government;

(2) that it shall not extend to the cases of Government servants while on leave in another Province or to those who, of their own choice, undertake journeys into another Province in order to consult a particular medical officer or to be treated in a particular institution.

In the case of the Government of Assam, such free medical treatment will be limited to the extent admissible to the Government servants of the Province where the Government servants of the other Province fall ill, and the difference, if any, due to more liberal facilities allowed by another Province should be paid for by the Government of that Province.

2. The Government of Bombay has also entered into a reciprocal arrangement with the Government of the East Punjab that when an employee of one Government falls sick while stationed in, or travelling through, the territory of the other they shall be entitled to-

(1) admission into the hospitals of the Government concerned as members of the general public, that is to say, they shall be charged for treatment afforded according to hospital fees rules;
